

Nursing - LPN to RN Bridge

Are you searching for a challenging career in an industry that is growing rapidly?

Do you enjoy helping others?

The Career

Registered Nurses (RNs) provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their family members

The Program

Licensed Practical Nurses are now welcome to apply to our LPN to RN Bridge Program at RVCC which starts in the Summer semester. Applicants must first attend an information session to be considered. After completing the 4-credit ADN 197R LPN to RN Bridge Program with a B- or greater, students enter the RN program in the second year at the senior level. Upon completing the final two semesters with a B- or greater, students graduate with an AS in Nursing and can then apply to sit for the NCLEX-RN Licensure exam.

The program is very competitive, with limited space. Applications are due no later than February 15th of each year and students will be notified of acceptance by March 31st. **Who can apply:** Currently licensed LPNs; anyone who HAS NOT graduated from RVCCs LPN program in the last two years.
