

Radiologic Technology

Associate of Science

Become A Vital Part Of The Medical Team!

Radiologic Technologists, also known as Radiographers, perform diagnostic imaging examinations, such as x-rays, on patients. Healthcare professionals use many types of equipment to diagnose patients. Radiologic Technologists specialize in x-ray and medical imaging modalities.

The Radiologic Technology Program at River Valley Community College has been developed with the purpose of providing competent Radiographers for the imaging field. A Radiographer is an important member of the Allied Health Care team. They are responsible for producing high-quality medical images for diagnostic purposes. Radiographic procedures are performed on patients of all ages. RVCC also offers student experiences in the most recent imaging advancements and technology for the acquisition and processing of images in the medical field including the use of portable equipment in operating room, emergency room and intensive care units.

Employment of the radiologic and medical imaging technologists is projected to grow 9% from 2014-2024.

93%

Job placement rate for RVCC graduates

Career Outlook

	US	NH	VT
Annual Salary	\$75,250	\$78,780	\$78,170
Hourly Wage	\$36.18	\$37.87	\$37.58

Outlook based on 2024 Bureau of Labor Statistics data for Radiologic Technologists mean salaries.

603-542-7744

Program of Study

First Year: Fall Semester

Introduction to Radiologic Technology Sim Lab Practicum
Patient Care & Medical Terminology
Radiographic Positioning & Procedures I
Principles of Radiographic Exposure, Imaging & Processing
Anatomy & Physiology I
Functions & Modeling I

First Year: Spring Semester

Radiation Physics & Imaging Equipment
Radiologic Technology Clinical Practicum I
Radiographic Positioning/Procedures II & Contrast Media
College Composition
Anatomy & Physiology II

First Year: Summer Semester

Radiologic Technology Clinical Practicum II
Radiographic Positioning/Procedures III

Second Year: Fall Semester

Radiologic Technology Clinical Practicum III
Radiation Biology & Protection
Cross Sectional Anatomy
Social Science Elective
Computer Technology Elective

Second Year: Spring Semester

Radiologic Pathology & Imaging Critique
Radiologic Technology Clinical Practicum IV
Quality Assurance, Ethical and Legal Issues
Introduction to Imaging Modalities
Radiographic Technology Registry Review
Humanities/Fine Arts/World Language Elective

1 College Place, Claremont, NH 03743
88 Winchester Street, Keene, NH 03431
15 Hanover Street, Lebanon, NH 03766

69-70 Credits
