

Licensed Practical Nurse

Certificate Program

Become An LPN In One Year!

Licensed Practical Nurses (LPNs) are important members of the healthcare team. The LPN duties include providing routine care, observing patients' health, assisting doctors and registered nurses, and communicating with their families.

The Licensed Practical Nurse Program prepares students for the beginning level of practice and for the National Licensure Examination-PM (NCLEX-PN) for Practical Nurses (PN). Graduates of this certificate program are prepared to enter the nursing profession as safe and effective health care professionals who contribute to the health and wellness of their communities.

The program has full approval from the New Hampshire Board of Nursing and pending national accreditation from the Accreditation Commission for Education in Nursing (ACEN). Graduates may obtain employment in a variety of different settings including (but not limited to): Hospitals, Ambulatory Healthcare, Private Practices, along with Residential Care Facilities and Home HealthCare.
