Pre-Radiologic Technology Certificate Program

Interested in Radiologic Technology?

The Healthcare Applications Pre-Radiologic Technology (Rad Tech) Certificate Program is designed to prepare students to apply to the Rad Tech Program at RVCC. Through this program, students will complete one year of foundational college courses and prepare to transfer into further education.

In this program, students will take pre-requisite and co-requisite courses for RVCC's Rad Tech program, reducing their semester workload once in the Rad Tech program and providing them with essential healthcare skills. Additionally, students may take elective courses, allowing students to explore additional areas of interest.

Students in this program must achieve a "C" or higher in all courses to graduate.
